

The ALLSTAR XL Series by

STARCRAFT BUS 
a division of Forest River, Inc.

VALUE PACKED TRANSPORTATION

There is a time when quality and integrity count. That time is when the reputation of your business and the safety of your passengers are in your hands. That is why the Allstar XL series of mid-sized shuttle buses from Starcraft makes so much sense. With their fully steel cage construction, they deliver on the promise of quality, durability, and safety. The exclusive flat wall design maximizes interior width, for the roomiest shoulder space and widest aisle in their class. A variety of floor plans, wheelchair accommodations and cargo options means the Allstar XL Series can be the foundation of your bus fleet. Don't gamble with your reputation, your business, or the safety of your passengers. Build your success with the Allstar XL Team from Starcraft Bus.
