

Creative Bus Sales

PROVE IT!!

CREATIVE BUS SALES PROPRIETARY COMPRESSED NATURAL GAS (CNG) SYSTEM COMPLETES ALTOONA BUS TEST WITH NO UNSCHEDULED MAINTENANCE TO THE FUEL SYSTEM!

7 Year — 200,000 Mile Test

Our System is the only CNG System to undergo Altoona Bus Testing!

Our proprietary, custom designed CNG System is 100% unique to Creative Bus Sales. In fact it's so unique that no other installer can grandfather in on our Altoona Test.

Creative Bus Sales employees have been trained and certified by various organizations such as Swagelok, CSA America, BAF Technologies, BAYTECH Corp, and NGVI. Technicians are trained throughout the year to provide customers with the most reliable and up to date CNG fuel system.
