

Krystal[®] Limousine Coach

Engineered Quality

Limousine Coach

Krystal Enterprises. The company's very name reflects engineered excellence. Krystal is committed to living up to its reputation as the producer of specialty vehicles unequalled in the transportation industry. With an automotive approach to manufacturing, Krystal produces a finished product with clean style and automotive appearance.

Krystal Enterprises' reputation as a leading innovator and producer of high-quality stretch limousines continues to reflect on our factory built limousine coaches. Available in three sizes, with passenger capacities ranging from fourteen to twenty-five, the Krystal LS Limousine Coach is the perfect solution to accommodate larger groups. Originally offered as a limited edition interior, the Krystal LS features redesigned sofa style seating, revamped bars and glassware storage, state-of-the-art audio, video, and lighting equipment, and a power privacy division.

By dedicating itself to producing the world's finest limousine coach product, Krystal remains clearly ahead of the competition.
